

I am a shape that has 5 sides and 5 vertices. What shape am I?

**1**

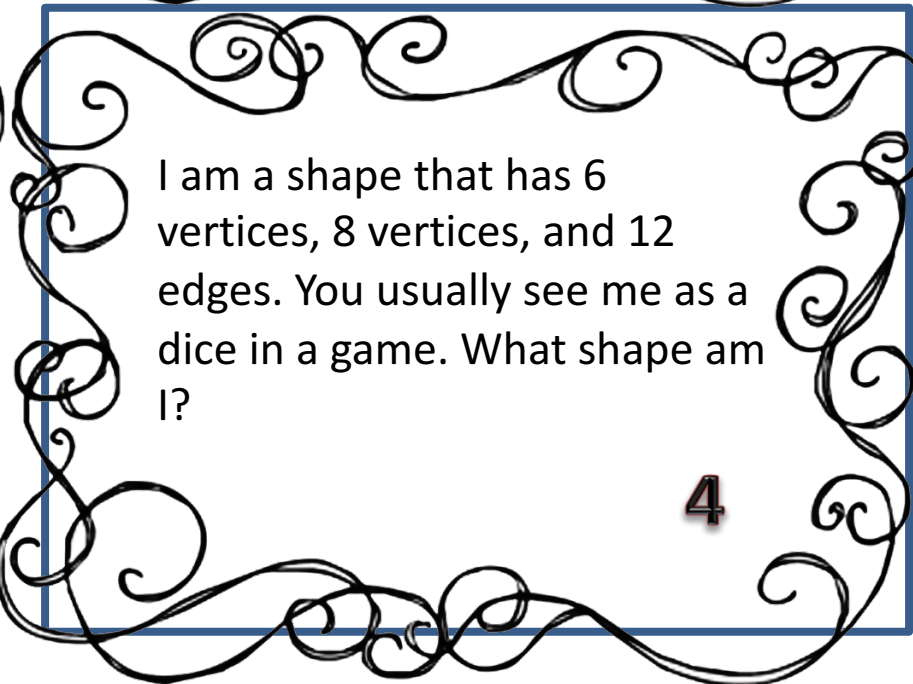

I am a shape that has 4 equal sides and 4 vertices. What shape am I?

**2**

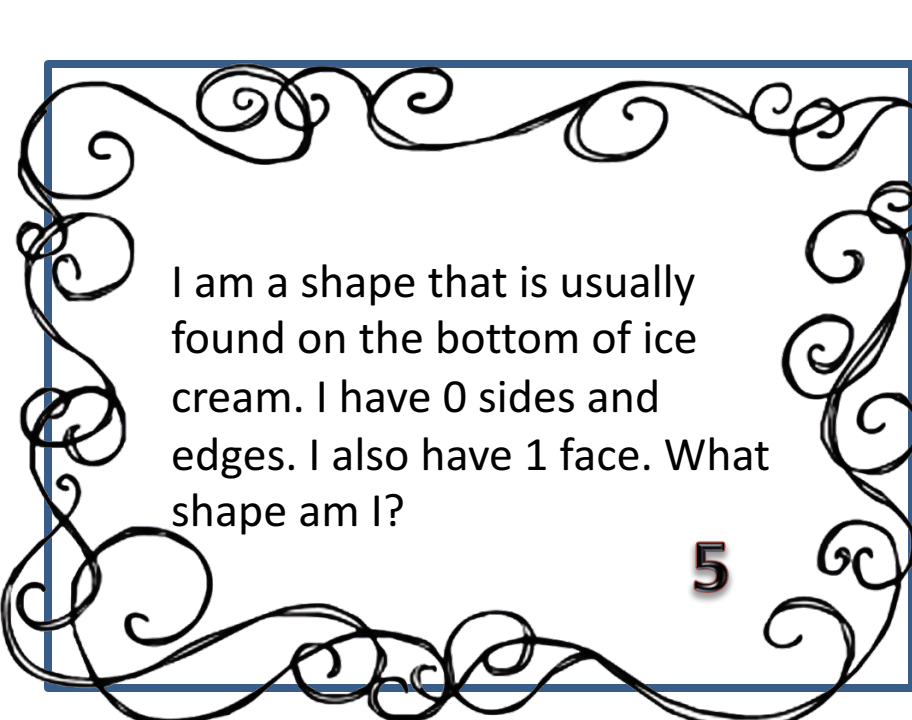

I am a shape that has 0 edges and vertices, but I have 2 faces. What shape am I?

**3**

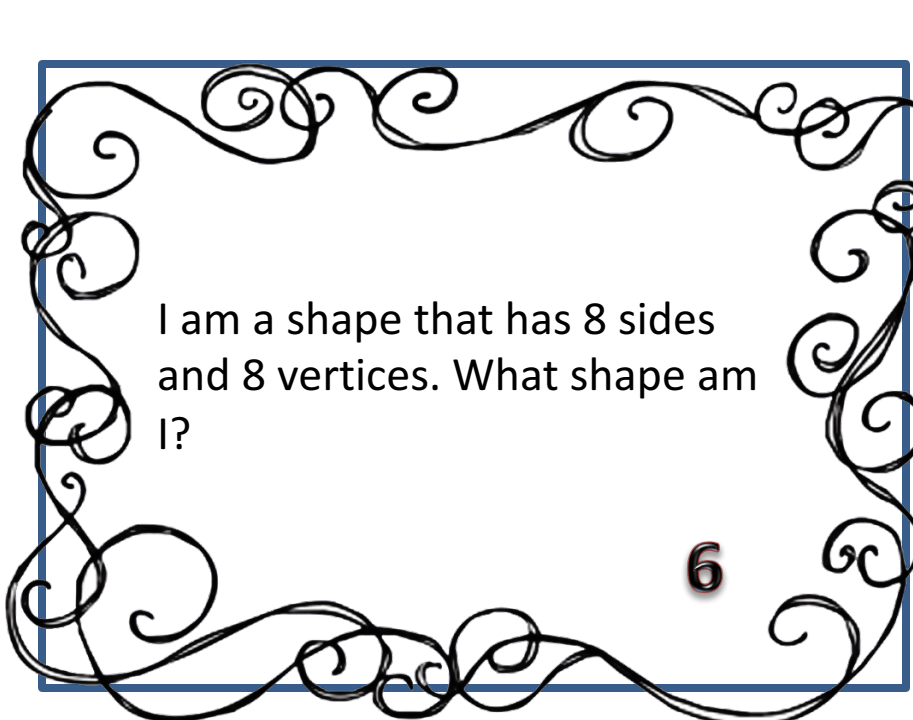

I am a shape that has 6 vertices, 8 vertices, and 12 edges. You usually see me as a dice in a game. What shape am I?

**4**

A decorative border of black swirls surrounds the text.

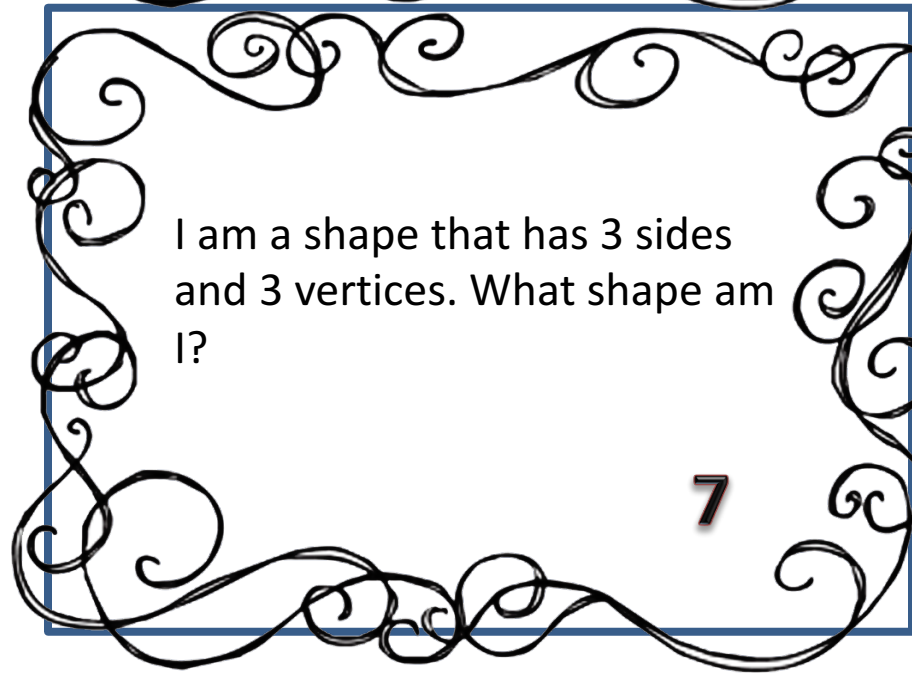

I am a shape that is usually found on the bottom of ice cream. I have 0 sides and edges. I also have 1 face. What shape am I?

5

A decorative border of black swirls surrounds the text.

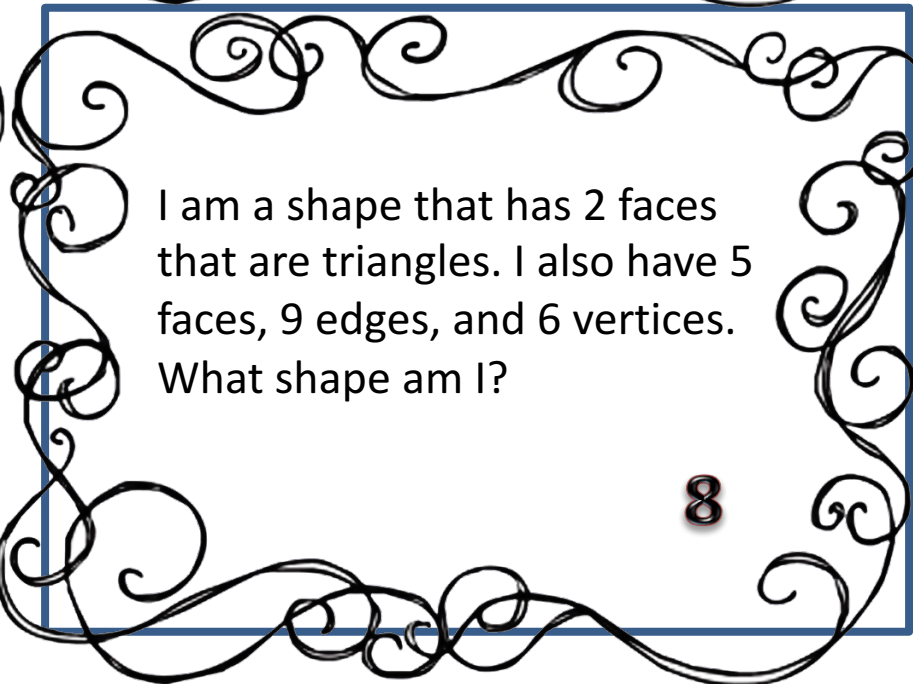

I am a shape that has 8 sides and 8 vertices. What shape am I?

6

A decorative border of black swirls surrounds the text.

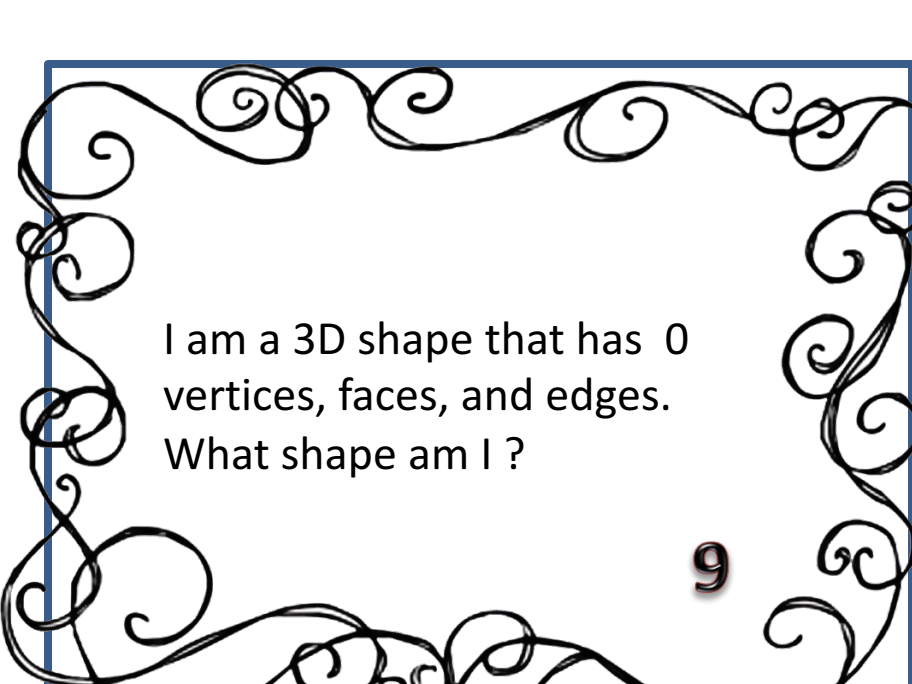

I am a shape that has 3 sides and 3 vertices. What shape am I?

7

A decorative border of black swirls surrounds the text.

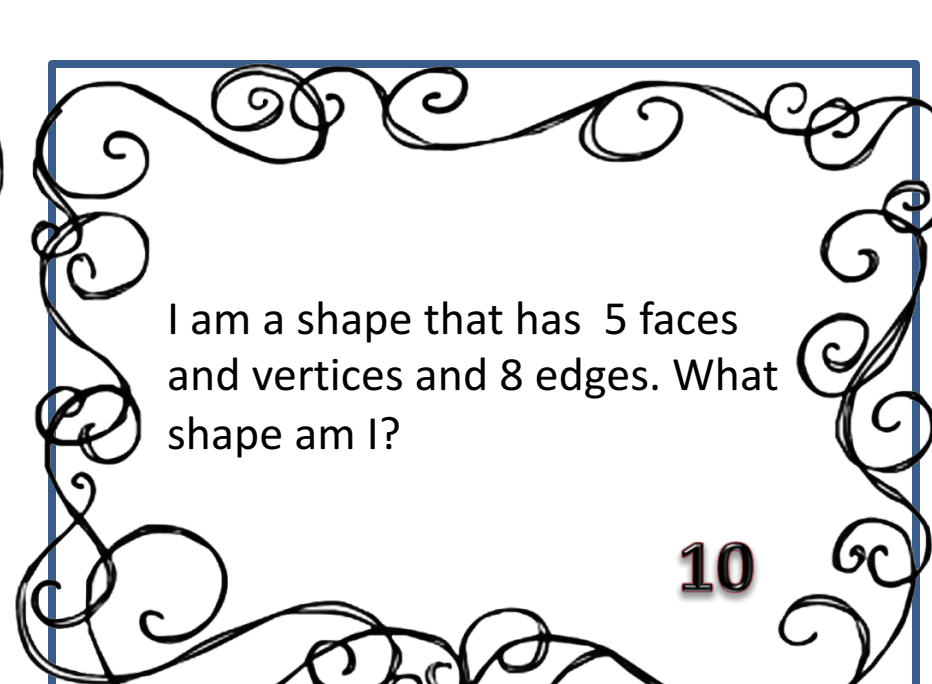

I am a shape that has 2 faces that are triangles. I also have 5 faces, 9 edges, and 6 vertices. What shape am I?

8

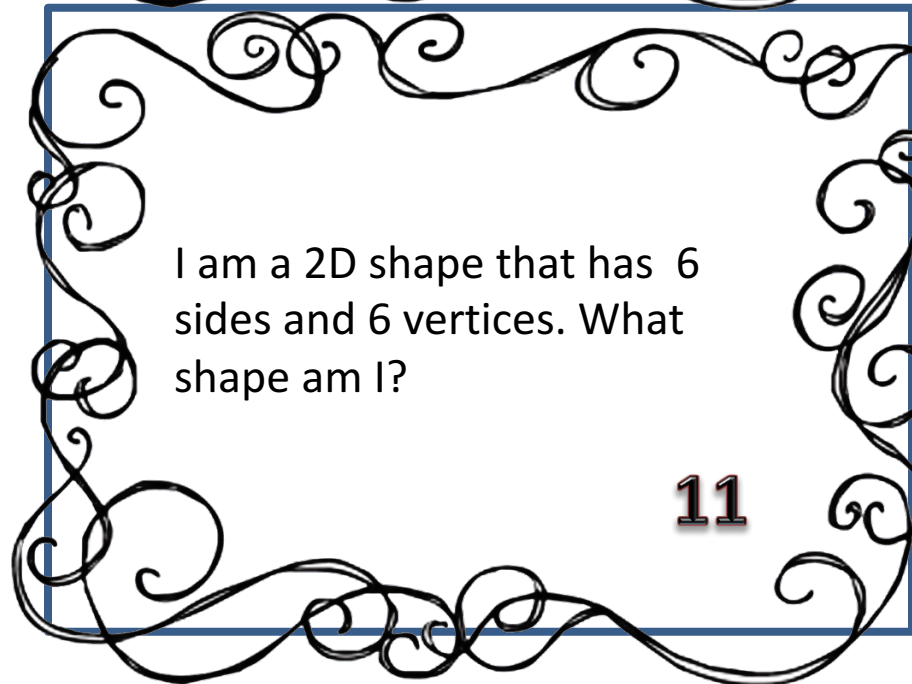

I am a 3D shape that has 0  
vertices, faces, and edges.  
What shape am I ?

**9**

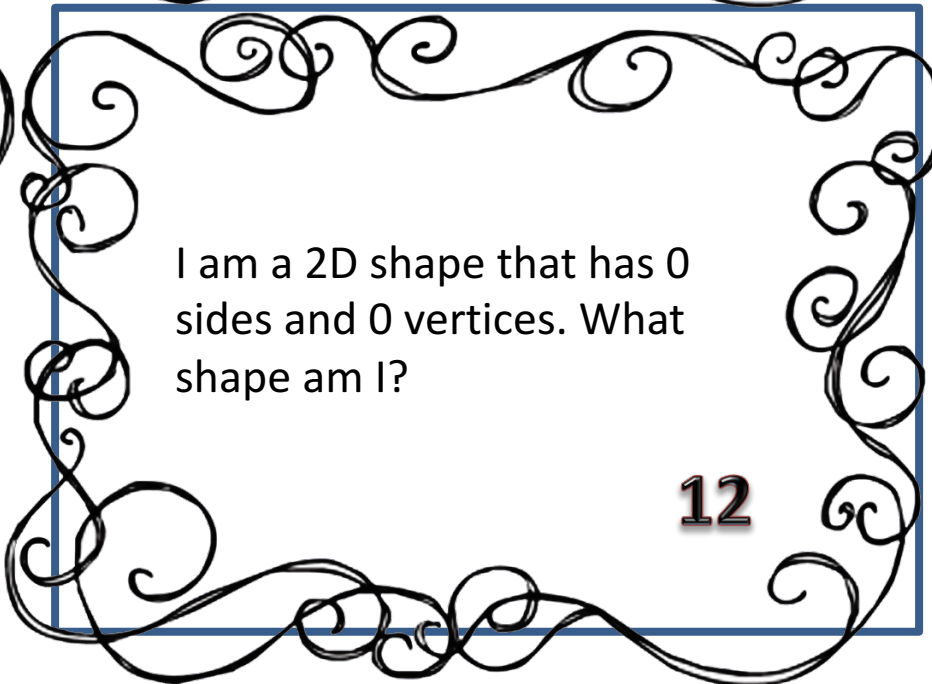

I am a shape that has 5 faces  
and vertices and 8 edges. What  
shape am I?

**10**

I am a 2D shape that has 6  
sides and 6 vertices. What  
shape am I?

**11**

I am a 2D shape that has 0  
sides and 0 vertices. What  
shape am I?

**12**
